We've launched a series of **"How-to-do" videos**, for your **quick start** into our **powerful measurement-software SBench 6** (controlling all our 130 different digitizers, 55 AWGs and 14 hybrid AWG+Digitizer models). Each video explains **one function of the software** in around two minutes. **13 different videos are already online** on our website, in YouTube and Youku (China).
